

"The network's value is the opportunity to apply knowledge, expertise, thinking in a community/ social/ public environment"

E-NEWSLETTER : SEPTEMBER/OCTOBER 2014

Water Efficiency Conference 2014:

- The WATEF Conference 9th to 11th September was very well attended and the delegates enjoyed a wide variety of presentations which are now available at <http://www.watefnetwork.co.uk/55-240> where a full list of delegates is also available.

- The beer tasting event at Craft Beer Company on 9th September proved very popular and delegates were treated to some local micro brewed beers as well as the opportunity to network amongst other delegates. The gala dinner at the Royal Pavilion with the Baroness Parminter of Godalming in attendance was also a resounding success with delegates being particularly enthralled by the tour of the Pavilion prior to the dinner.

- Once again many thanks to all our delegates, presenters, keynote speakers, and exhibitors who helped to make the conference our headline event of the year!

2014/15 Network Theme

The conference marked the end of our network year and we will shortly be publishing the next programme of events for 2014/2015 network year. This years' theme is: "**Water Efficiency Gold Standard for Service-Led Innovation**".

Additional Technical Committees

Prior to publishing the next programme of events, we will be consulting members on convening additional technical committees. At present, the aim is for two additional technical committees as follows:

- Service Delivery & Innovation
- People and Communities

Please **contact us** if you will like to convene or be a member of a technical committee

Forthcoming events

- Virtual Master class on "ICT for Water Efficiency". **Contact us** if you will like to present ongoing research and case studies related to this topic. This event will be held in December 2014.
- Proposed: Master class on Operation and Installation Best Practise
- Members meetings
- Proposed: Water Reuse study trip to Germany
- Technical committee organised events and workshop
- Annual conference

Details on other events to follow but please feel free to register your interest to present or participate in these events.

Other news

- **SUDSnet International Conference** – 3rd to 4th September 2015 – Coventry. The conference theme is "Taking SUDS Forward" and this 2 day meeting will include a mix of research and practitioner speakers, posters and displays on SUDS and SUDS -related topics. A perfect opportunity to get up to date with recent developments and future directions in research and application of SUDS. For further information <http://sudsnet.abertay.ac.uk/news.htm>
