

# Invitation

You are cordially invited to our London launch of inDepth: Global Water Yearbook & Perspectives

This highly regarded Water Yearbook was originally produced by Pinsent Masons and offers a unique review of the dramatic changes affecting both companies operating in the sector and its investment climate. The Yearbook also provides us with a real opportunity to share insight to some of the serious contrasting challenges facing the world of water through the perspective of global industry experts.

**Date:** Thursday 21st January 2016

**Time:** 5.30pm for 6.15pm start

**Venue:** Arup, 8 Fitzroy Street, London
