

Sustainability in Energy & Water Resources: Research & Practice

	Time	Speaker	
	08.30 – 09.00	Registration & Coffee	
	09.00 – 09.05	Prysor Williams , Dŵr Uisce project, Bangor University <i>Welcome address</i>	
	09.05 – 09.10	Aonghus McNabola , Dŵr Uisce project, Trinity College Dublin Year One for Dŵr Uisce	
Practice & Governance	09.10 – 09.50	KEYNOTE: Jacob Tompkins OBE , The Water Retail Company <i>The drivers and barriers for an efficient water sector in 2017</i>	Practice & Governance
	09.50 – 10.05	Aoife Crowe , Commission for Energy Regulation <i>A joint energy and water regulator in Ireland: joint up thinking on efficiency?</i>	
	10.05 – 10.20	Ronan Palmer , Ofwat <i>The role of the regulator in financing water efficiency measures in the UK</i>	
	10.20 – 10.35	Evangelia Moutselou , Consumer Council for Water <i>Insights into consumer behaviour for water consumption in Wales</i>	
	10.35 – 10.55	Panel Discussion (Chair: Aonghus McNabola)	
	10.55 – 11.20	Coffee	
Sustainability in Action	11.20 – 11.40	Participant Pitch (2-minute contributions by participants) <i>My interest in the sustainability of water and energy resources</i>	Sustainability in Action
	11.40 – 11.55	Kemi Adeyeye , University of Bath <i>How a network can promote best practice in water efficiency</i>	
	11.55 – 12.10	Barry Dean , National Federation of Group Water Schemes <i>Delivering improved efficiency in community water supply schemes</i>	
	12.10 – 12.25	Phil Horton , Managing Director at Dulas Ltd <i>Renewable energy in supporting a sustainable water region</i>	
	12.25 – 12.40	Eoghan Clifford , National University of Ireland, Galway <i>Information and communication technology (ICT) in the water sector</i>	
	12.40 – 13.00	Panel Discussion (Chair: David Styles)	
	13.00 – 13.50	Lunch	
Dŵr Uisce Perspectives	13:50 – 14:00	Andrew Norton , Dŵr Uisce project, Bangor University <i>Using performance indicators to identify the impact of the water industry</i>	Dŵr Uisce Perspectives
	14:00 – 14:10	Daniela Novara , Dŵr Uisce project, Trinity College Dublin <i>Energy recovery through micro-hydropower in water networks</i>	
	14:10 – 14:20	Jan Spriet , Dŵr Uisce project, Trinity College Dublin <i>Drain water heat recovery in water infrastructure</i>	
	14:20 – 14:30	Vanajah Siva , Dŵr Uisce project, Trinity College Dublin <i>Developing the smart specialisation cluster for the region</i>	
	14.30 – 14.50	Roundtable Discussion (Chair: Paul Coughlan)	
	14.50 – 15.00	Aonghus McNabola , Dŵr Uisce project, Trinity College Dublin Closing remarks	
	15.00 – 15.30	Post-conference Stakeholder meetings & networking
